

Milk Program - 9

Dear Joyful Noises Parents,

We have a milk program for those families who would prefer not to pack a drink in addition to your snack and/or lunch. You may sign up for the milk program in way that suits your specific needs. It is available for snack and lunch times.

The cost per serving will be .50 cents. We will be serving whole and 2% milk (preschool children get 2%). If you choose to purchase milk through us, please fill out the lower portion of this letter with your child's name, and your milk preference. Return it to the Director when you would like to begin your milk service. You will be billed separately, on a monthly basis for this service. Thank you for your continued support. We are looking forward to a great school year together.

Respectfully,
Yvonne Beirne, Director
